ANIMATION SCOTLAND

VISUAL EFFECTS

A BIT ABOUT US

Animation Scotland is an industry-led body created to showcase, represent and develop the animation and VFX industry at home and internationally.

Revenant

WHY SCOTLAND?

Scotland enjoys global acclaim for its breathtaking landscapes and rich cultural heritage. Yet, our pride extends further as we celebrate a thriving creative sector encompassing film, television, music, literature, and design. Our economy reflects our diversity and dynamism, with robust strengths in traditional industries like energy and finance, as well as emerging sectors such as renewable energy and technology. Hosting a wide range of Animation, VFX, and Post-production facilities, Scotland has emerged as an innovative and accessible hub for international studios to bring their creative visions to life.

Our areas of expertise are:

- **Broadcast**
- **Film**
- **Games**
- **Theatre**
- **Immersive content**
- **Experiential installations**

FINANCES

Scotland is part of the UK and as such, it benefits from the national industry tax breaks for:

- **Film**
- **High-end TV**
- **Video Games**
- **VFX**
- **Independent Film**

Please refer to the British Film Commission and BFI websites for full tax breakdown details.

Our industry is also supported by Screen Scotland's wide range of regional funds such as:

- **Film Development and Production Fund**
- **Broadcast Content Fund**
- **Production Growth Fund**
- **Professional Development Fund**
- **PGF Project Post**

More information on Screen Scotland Funding here.
